

Report on The 30th Symposium on Life Information Science

第30回生命情報科学シンポジウムの報告

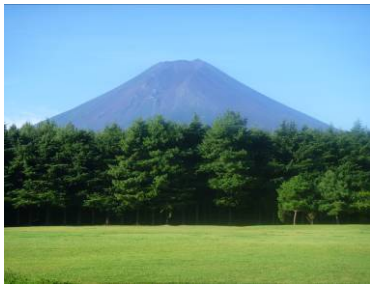

Mikio YAMAMOTO, Ph.D.
Chairperson of the 30th Symposium

山本 幹男
第30回生命情報科学シンポジウム 大会長

The 30th Symposium on **Life Information Science** was successfully held by the **International Society of Life Information Science (ISLIS)** in a camp style on August 26-29, 2010 at Fuji Calm, Yamanashi, Japan. More than 170 people attended the many interesting presentations and special lectures that were given. The hall was full of activity and the quality of the symposium was that of an international academic society. Active workshops and demonstrations were held and there was much lively debate.

Every night participants had chances to socialize at which animated exchanges were continued about the day's sessions.

2010年8月26~29日(木~日)、山梨県富士Calmにて、合宿形式の第30回生命情報科学シンポジウムが国際生命情報科学会(**ISLIS**)主催で170名以上の参加で、とても楽しく成功裡に開催されました。衆議院議員の挨拶、特別講演、ミニシンポジウム、研究発表、実演、体験的ワークショップなど様々な発表があり、好評を博しました。下の写真。毎日の懇親会では、活気ある交流が行われました。
